

TRINIDAD WALL SCONCE

44325
 Waxed Blackened
 Iron
 H: 22 IN
 W: 13 IN

Inspired by the 1950s brutalist movement, this one-light, iron sconce is crafted out of hand cut geometric shapes, welded together into a tribal-like pattern. The wax finish helps keep the sconce natural – perfect for horizontal or vertical mounting. Certified for damp locations and intended for interior use.
