

ANNA SEMI-FLUSH MOUNT

44764

Antique Brass

H: 9.5 IN

Dia: 17.75 IN

Taking a design tip from the Arteriors archives, this semi-flush mount echoes Hollywood Regency style with its classic form and antique brass finish. The antique brass iron frame features a ribbed relief, adding a textured quality to a space. Hang in pairs for an added dose of glam. Finish will vary. Damp rated, though limited covered outdoor conditions may affect finish. Certified for damp locations and intended for interior use.
