

HALEY TABLE LAMP

44775-249
Smoke Luster Ombre
Glass, Antique Brass
H: 31 IN
Dia: 19.0 IN

The ornament-inspired shape of this glass lamp delivers a classic appeal to a space, while a smoke luster ombre finish and antique brass detail imparts a more contemporary vibe. Iridescent hues travel down the façade, blending into one another before eventually fading into clear glass. When illuminated, a colorful palette of moody tones become more prominent. Topped with an off-white linen drum shade with off-white cotton lining and an acrylic sphere with brass finial. Finish will vary.
