

WAVERLY PENDANT

45046
 Natural Buri and
 Rattan, Antique Brass
 H: 8.5 IN
 Dia: 35.0 IN

Old world techniques are brought into play with this naturally unique pendant. An array of buri sticks bound with thin pieces of rattan flow from an antique brass steel stem into a wavy, parasol-esque shape. Wood beads trim the slightly askew foundation, emphasizing the overall design of the organic and eye-catching form. Due to the handmade nature, slight variances may occur. Certified for damp locations and intended for interior use. Additional pipe available (PIPE-504).
