

RIMINI PENDANT

Svelte. Sleek. Sophisticated. This large-scale pendant brings romantic and moody light to a space while showcasing its own curvy and sultry style. It's built with two layers; the interior form is made of naturally finished woven rattan slats on a metal frame and the outer shade is woven with rattan core strips that are finished in black. The top flair has an organic, wavy edge, recalling the look of a pomegranate or vintage dress form. Additional pipe available (PIPE-504). Certified for damp locations and intended for interior use.
