

BAJA CHANDELIER

45094  
 Natural Coco Beads,  
 Antique Brass  
 H: 17 IN  
 Dia: 30.0 IN

A natural take on classic design the Baja finds balance and defines beauty with organic materials. The layered concentric construction is crafted from wood and coconut beads that are strung along an antique brass frame showcasing a mélange of neutral hues. Coconut shell talons hang from the wood bead strands. Though light and airy this 3-light chandelier establishes a strong natural presence in any setting. Also available in a dark gray wash finish (45083). Finish will vary.
