

ROOK SMALL PENDANT

45101
Natural Stained
Wood, Black
H: 50 IN
Dia: 24.0 IN

This pendant serves as a prime example of how concentric circles can influence product design. Hand-carved, undulating wood circles are arranged to form a contemporary open sphere finished in a refined gray-wash. While the hoops appear to float around the single light, they are securely held by filament wire. The design is completed by a pipe that extends from the body of the chandelier, leading to a chain that connects to a matching canopy for a clean and structured look.
