

INGRID PENDANT

45628
 Natural Rattan, White
 Linen
 H: 31 IN
 Dia: 43.0 IN

Relish in the craftsmanship of rattan with this wildly organic pendant. Thick strips of natural rattan are woven in a manner that the bottom rounds inward, creating a visual that the outer shade is being lifted into itself. An inner white linen shade rests inside, helping to diffuse the light and offer a soft glow to its surroundings. Though large in scale, this piece showcases a low profile which makes it an ideal statement piece for smaller spaces. Finish will vary. Additional pipe available (PIPE-504). Certified for damp locations and intended for interior use.
