

NAKOA BAR CART

4650  
 Blackened Iron  
 H: 32 IN  
 W: 34 IN  
 D: 17 IN

The Nakoa celebrates Art Deco design through rich texture and elegant form. A blackened iron foundation presents a minimalist profile with x-shaped legs that rest on an attached black marble base that doubles as a shelf. The marble features a chiseled deco pattern for a look that emphasizes the machine-age and sleek geometric aesthetic, further playing up its architectural inspiration. A clear glass top makes this bar cart functional, and the raised handles allow easy mobility. Marble will vary.
