

MADDEN ROUND MIRROR

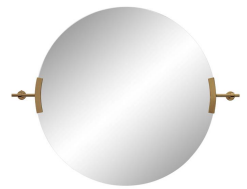

4730

H: 38.5 IN

W: 30 IN

D: 3 IN

Hovering ever-so-slightly against the wall this brilliant mirror performs "depth-defying" feats. Two antique brass brackets hold a large round plain glass mirror that appears almost flush with the wall offering a more streamlined look. Two security cleat hanging hardware attachments allow this piece to hang horizontally or vertically.
