A curved back and large seat rest on a perfectly poised iron frame to compose the foundation of the Bahati. Natural iron has been hand-forged yielding delicate details along its thin frame. The seat and back cushion are upholstered in a natural linen allowing this piece to easily perform alongside existing decor. For a matte finish on the legs, lightly brush the iron with a scotchbrite pad to take down the sheen. Due to the natural characteristics of the fabric, the variation in hand stitching is more pronounced in the linen version of this chair.
