

HERRICK ETAGERE

4898
 Blackened Iron
 H: 81 IN
 W: 36 IN
 D: 16 IN

The Herrick presents a functional foundation to fill with books, collectibles, photos and more. Blackened iron offers a bold contrast to the solid smoke oak shelves that fit seamlessly into its frame, delivering an industrial-inspired style. Each of the four shelves provides ample space for items to store or showcase. Its versatile style and function make this successful in virtually any setting. Finish will vary.
