

AIDEN COFFEE TABLE

4900
 Handcarved Soft
 Black Waxed Wood
 H: 16.5 IN
 W: 55 IN
 D: 30 IN

A strong foundation piece, the Aiden showcases a sprawling tabletop and a single shelf for storage. Hand-carved wood frame is finished in black, offering a bold contrast to the simple structure. The entire piece is completed with a soft waxed finish, adding a slight sheen to highlight the organic carved, wire brushed texture. Its versatile style makes this an optimal piece for both modern and traditional spaces.
