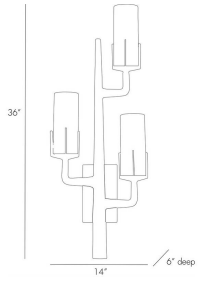
GRIFFIN WALL SCONCE

49082
Bronze, Antique Brass, Frosted Glass
H: 36 IN
W: 14 IN
D: 6 IN



A torch for the new age, the Griffin sconce is a unique option for true design enthusiasts seeking something with flair. Frosted glass shades diffuse the light, creating a soft glow that contrasts the sharp angles and bronze finish with antique brass details. Shown with a clear globe bulb. Certified for damp locations and intended for interior use.
