

AARON WALL SCONCE

49176  
 Heritage Brass  
 H: 18.5 IN  
 W: 9.5 IN  
 D: 14 IN

This contemporary sconce possesses a modern sensibility defined by a sleek style and masterly materials. A heritage brass steel frame wrapped in cream-colored leather is perfectly presented from a circular white marble backplate, and a heritage brass steel drum shade directs light for a striking contrast. Marble will vary. Certified for damp locations and intended for interior use.
