Dark Vintage Silver

H: 30 IN

W: 12 IN

Gloriously modern, this sleek and slender pendant is a unique wonder. The steel frame drops dramatically with sharp angles to accommodate a conical opal glass shade. It's finished in a dark vintage silver and is adorned with a crystal drop finial at the bottom. Due to its height, this light fixture is ideal in tall spaces, especially over a kitchen island or in a bathroom. Additional pipe (PIPE-202) available. Certified for damp locations and intended for interior use.
