

WHITMAN TABLE LAMP

49285-395
 White Ricestone,
 Smoke Crystal, Pale
 Brass
 H: 30 IN
 Dia: 19.0 IN

Our Whitman lamp draws inspiration from modern design and natural materials. The sleek cylindrical form is composed of a smoke crystal top and a ricestone bottom that are divided by a pale brass belt, which accents, as well as contrasts, these two materials. A luxe lighting option for any space. Topped with an ash microfiber drum shade with ash microfiber lining and a matching metal finial. Finish will vary.
