

URIAH WALL SCONCE

49668  
Smoke Luster  
H: 15 IN  
W: 8 IN  
D: 4.5 IN

Much like its lamp predecessor let the Uriah sconce elevate your wall space to museum status. A thick seedy slumped glass in a smoke luster finish cascades down the front of a clear seedy glass wall to create this functional showpiece. The use of mixed materials that shape this rectangular form brings a refined organic element to a space. Finish will vary. Certified for damp locations and intended for interior use.
