

AARON DESK LAMP

49735

Antique Brass, Cream
Leather, White Marble

H: 24 IN

W: 9.5 IN

D: 12 IN

This contemporary lamp possesses modern sensibility defined by a sleek style and masterly materials. An antique brass steel frame wrapped in cream-colored leather seamlessly blends into a circular white marble base—a beautiful balance between natural and refined elements. The taupe cloth cord features a dimmable switch to create an ambiance that suits you. A heritage brass metal drum shade tops this modish luminescent. Marble will vary.
