

NASHIK TABLE LAMP

49771-550
 White Alabaster,
 Bronze
 H: 31 IN
 Dia: 17.0 IN

Simplicity and elegance define the Nashik. The minimalist column shape is crafted from white alabaster and features a bronze steel cuff that blends seamlessly into the base. When illuminated, the brilliant organic, variegated textures are put on display. Topped with an off-white microfiber drum shade and a bronze cylinder finial. Finish will vary.
