

OBSERT DESK LAMP

49782
 English Bronze, Steel
 H: 18 IN
 W: 14 IN
 D: 5 IN

An exercise in the balance of materials and the execution of modern design is unveiled in the Obsert. The minimalist T-shape profile is constructed of a sleek steel top and a robust black marble base. The steel top features an English bronze finish and neatly conceals an LED strip for an ultra-modern look. Finish and marble will vary.
