49826
Antique Brass, Opal
Glass
H: 21 IN
W: 8.5 IN
D: 7.5 IN

The incredibly unique design of this sconce takes inspiration from a pearl, sling-shaped pendant necklace. The teardrop silhouette is crafted from antique brass iron that showcases an opal glass globe, which sits in the frame. A matching glass and antique brass iron backplate with an opal glass accent creates cohesiveness throughout. Consider multiples for a more dramatic lightscape. Certified for damp locations and intended for interior use.
