

MALLORY SIDE TABLE

5021
 Ebony
 H: 24 IN
 W: 28 IN

Though side tables were originally made strictly for function, this modern maven delivers looks along with utility. Crafted entirely from solid oak, its seamless design is due to an ebony black veneer that's unique and rich with natural textures. Its function comes through in thoughtful details, like a wide tabletop, roomy nook and bottom drawer that opens and closes smoothly on soft-close slides. Features a signature aged brass pull. Nylon nail-in glides will protect exposed floors.
