Peacock
H: 18 IN
Dia: 16.0 IN

A blend of contemporary and modern design can be found in our Uma accent table. The smooth rounded top is complemented by a middle piece that looks as if it is swirling into the bottom, drawing attention to the unique play on geometrics. A rich peacock lacquer finish delivers a sleek shine that will brighten up a room while adding a refreshing pop of color. A perfect piece to accent any contemporary or modern styled space.
