

VLAD ACCENT TABLE

5033

Ivory

H: 22 IN

Dia: 13.0 IN

Our Vlad side table puts forth the best of contemporary and modern ivory lacquer design. The smooth round top is complemented by the stark but curved lines that compose the pedestal-style base. Sculptural in form and functional by design, this piece works just as well as a striking sofa companion as it does an architectural accent all on its own. The versatile color allows this side table to perform in various décor styles.
