

BECKHAM COFFEE TABLE

5098

Matte Black

H: 13 IN

Dia: 32.0 IN

An architectural approach to classic design this cocktail table showcases a sculpted silhouette defined by sharp angles and smooth curves. A lightweight concrete foundation has been finished in matte black to deliver an even more modern element to its contemporary form. The natural composition of this table allows it to function both indoors and out and its versatile style allows it to easily perform alongside existing decor. Can be used in outdoor covered areas.
