

FRICKE ACCENT TABLE

5588

Natural

H: 17.5 IN

Dia: 16.0 IN

Teak root has been unearthed to create this awe-inspiring accent table. The organic form has been burned along its façade to highlight the naturally occurring depressions that appear throughout the piece. Each is one-of-a-kind allowing it to present a "found object" feel. A natural choice for any style setting. Size and shape will vary. Size may vary up to 2".
