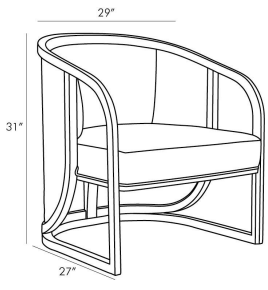
FORTUNA LOUNGE CHAIR

5593
Smoke
H: 31 IN
W: 29 IN
D: 27 IN



We've taken the conventional design of traditional cane lounge chairs and updated it with deco-inspired swooping lines and a rattan inset herringbone weave. Its barrel back and linen cushion creates comfort and delivers a timeless style. The smoke finished oak and rattan frame with the warm hue of the seat imparts a visually appealing, classic aesthetic on this practical piece. Adds a touch of Old World elegance.
