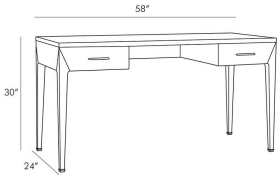
DUBLIN DESK

5602
Smoke
H: 30 IN
W: 58 IN
D: 24 IN



This petite desk puts forth a simple and straightforward style. Its functional design favors clean lines and absolute angles that define the space it occupies. A smoke finish enhances the natural grains of its solid oak construction and facetedvintage brass pulls effortlessly elevate its modest aesthetic. Smaller in scale we see this piece best utilized as a compact desk or a vanity table.
