

MAHOUN END TABLE

5608
Umber
H: 25 IN
Dia: 24.5 IN

We looked to our Mahoun collection for inspiration when designing this end table. Featuring stacked geometrics and craftsman-style turned details the craftwork of this solid oak piece with an umber finish echoes the Modernist aesthetic of Brancusi. A natural—and functional—focal point for various style settings. Finish may vary.
