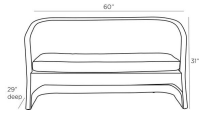
ITIGA SETTEE

5674
Mist Texture
H: 31 IN
W: 60 IN
D: 29 IN


Upgrade a sunroom with seating with an elevated look, yet is still inviting. In this settee, concentric circles in the design give it a distinctive look, adding a unique twist to the traditional black washed rattan style. It is not only stylish but also comfortable with a textured seat cushion in mist. Fabric and finish will vary.
