

REXBURG TRAY

6259
 Blonde
 H: 2.5 IN
 W: 30 IN
 D: 20 IN

This large-scale tray is an entertainer's best friend. A blonde oak wood tray is paired with long, stainless steel handles finished in bronze, reminiscent of those used in architectural framing. The industrial-style Rexburg tray creates an elegant display, whether used as a serving piece or as a platform for staging objects. Finish will vary.
