

THEODORE END TABLE

Ebony

H: 26 IN

Dia: 24.0 IN

Traditional design and mixed materials compose the clean-lined silhouette of our Theodore end table. A round, gray solid marble top is fashioned to a tapered wood base that has been sandblasted in an ebony finish. The beveled edge of the marble top adds depth and dimension, while the dark stain of the finish accentuates the wood's natural textures. For a larger version, see our Theodore entry table (6855). Marble may vary.
