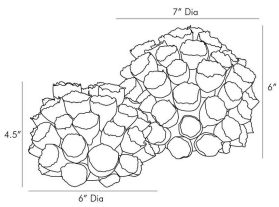
DAKOTA VASES, SET OF 2

7825
White and Pale Cornflower



Create coastal curiosity in a space with this set of sea-inspired vases. Reminiscent of barnacles that thrive in the tidal waters of our vast oceans porcelain is uniquely crafted each piece skillfully applied by hand. A matte bisque finish covers its surface, while droplets of a pale cornflower blue glaze in each cup add an unexpected pop of color. Display a single stem of your favorite flower or showcase as a sculpture. Watertight. finish will vary.
