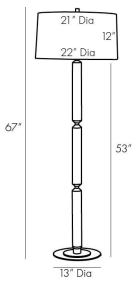
GIO FLOOR LAMP

79818-427
Clear Crystal
H: 67 IN
Dia: 22.0 IN



Sophisticated style simplified. Clear crystal cylinders stacked on an antique brass frame makes for a floor lamp full of luxe and luster. Each cylindrical column tapers at its ends, defining the point of juncture between materials. A sleek stepped base offers an elevated platform to showcase the Gio's polished profile. Topped with an off-white linen drum shade with off-white cotton lining and an acrylic with brass finial. Complete with a taupe cloth cord. Finish will vary.
