

OPHELIA LOUNGE CHAIR FOSSIL
TWEED DARK WALNUT

8123
Fossil Tweed
H: 37.5 IN
W: 31 IN
D: 34 IN

The traditional silhouette of the wingback chair gets a mid-century modern update. Slighter wings, a swooping back curve and gracious arm lines maintain the elegance of the wingback style, with a modern twist. Fossil tweed, tapered dark walnut wood legs and antique brass iron-capped feet give the chair even more elevated styling. Fabric and finish will vary.
