

KINLEE LINEAR CHANDELIER

82012

Antique Brass

H: 9.5 IN

W: 51 IN

A modern take on Art Deco, the Kinlee is composed of a series of handcrafted glass discs on a linear frame with 12 lights sparkling through the glass. A collage of clear glass, smoke glass, and smoke luster glass discs parallel an antique brass iron frame. The clear glass and smoke glass feature a hammered detail, while the smoke luster glass features an etched texture. Its unique layered construction allows the light to bounce between the glass and creates extra illumination for the space it occupies. Finish will vary. Additional pipe available (PIPE-479). Certified for damp locations and intended for interior use.
