 Seedy Slump Glass  
 H: 17.5 IN  
 Dia: 25.5 IN

Seedy slump glass panels in a smoke finish are fastened to an antique brass iron frame, creating a drum-shaped glimmering shade. When illuminated, the soft sheen from the light further enhances the moody quality and spotlights the radial composition of panels. The chattered detail on the faceted accent and the undulating shape of the panels work in tandem, delivering visual texture. Finish will vary. Certified for damp locations and intended for interior use.
