Minimalist, modern and oh so cool. The eight-light Linus chandelier's muted pale brass finish is perfectly complemented by its polished black nickel details. The tempered, frosted glass diffusers serve dual functions; creating softer light below and shining additional light to the chandelier's frame, spotlighting its bold finish. Additional pipe available (PIPE-182). Also in heritage brass finish (89117) and a linear style (89443). Certified for damp locations and intended for interior use.
