

BRECK LARGE CHANDELIER

89345

Bronze

H: 38 IN

Dia: 52.0 IN

This chandelier features steel arms that curve upwards reaching from a center point at two different heights to create a double tier effect. The entire structure is finished in a bronze tone and is constructed with a seamless design. It's a modern take on a centuries-old classic. It holds eighteen exposed bulbs for maximum light. Certified for damp locations and intended for interior use.
