

HARRIET CHANDELIER

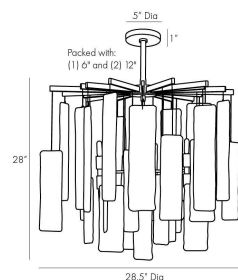

89480

Antique Brass, Frosted
Glass

H: 36 IN

Dia: 28.5 IN

The Harriet boasts a look that is overtly organic while remaining completely contemporary. A sleek and slender antique brass steel foundation presents frosted glass plates that hang in a tiered fashion, each gently obscuring and filtering the light from eight brilliant bulbs. This detail adds a touch of whimsy to the Harriet's modern form. We envision this piece spotlighting a modish dining table or kitchen island. Finish will vary. Additional pipe available (PIPE-222). Certified for damp locations and intended for interior use.
