

BOZEMAN CHANDELIER

89633

Antique Brass

H: 19.5 IN

Dia: 46.0 IN

This steel chandelier showcases a streamlined silhouette that is modern and minimalistic. Ten double-socket cylindrical candle sleeves stand at attention of the piped arms that extend from its columnar center at varying heights. With 20 brilliant lights and a sleek sheen that work together to illuminate the Bozeman is foundational piece for contemporary settings. Certified for damp locations and intended for interior use.
