

SIERRA CHANDELIER

89661
 English Bronze, White
 Alabaster
 H: 24.5 IN
 Dia: 40.0 IN

With Art Deco at the heart of its design, this evocative chandelier celebrates glamor and luxury. Our Sierra fixture is created in demilune-shaped slices of white alabaster, clamped together with decorative, English bronze fittings. The fan-shaped pieces encircle an English bronze frame. Finish will vary. Certified for damp locations and intended for interior use.
