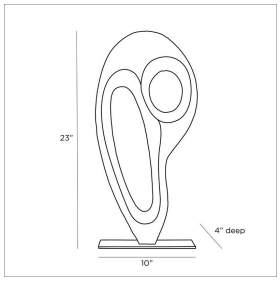
KENLY SCULPTURE

9122
Charcoal
H: 23 IN
W: 10 IN
D: 4 IN



Reminiscent of modern art of the Mid-19th Century, this beautifully asymmetric sculpture is molded with modern curves and appeal. Made from charcoal ricestone, it is known for rich textures that vary naturally with each piece. The structure stands on a steel base in an antiqued brass finish. Though compelling on its own, it lends an even bolder statement when paired with its companion, the Kelso Sculpture. Ricestone will vary.
