

CAVALLE SCULPTURE

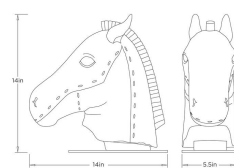

ASC49

H: 14 IN

W: 14 IN

D: 5.5 IN

Capturing the noble profile of a horse, the Cavalle Sculpture presents a graceful balance of movement and poise. Expertly crafted from ivory riverstone composite, it features a smooth yet subtly textured finish that accentuates the fluid lines of the equine silhouette. A timeless accent that lends a sense of classic sophistication and organic warmth to any interior.
