

BISGER SQUARE PENDANT

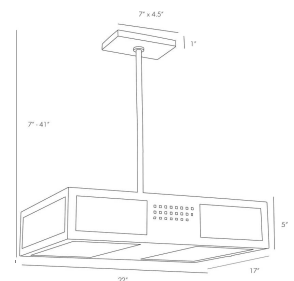

DC89001

Antique Brass, Opal Glass

H: 7 IN

W: 22 IN

D: 17 IN

Clean lines, crafted from stainless steel, frame plates of frosted glass, so the light beneath is filtered beautifully. The mid-strip is hand-punched and casts scattered light in every direction. The bottom plates are removable for easy bulb replacement. The brass tones are a brushed, antique finish that runs all the way up to the flush mount. Fits four standard bulbs. Also available as a rectangular pendant (DC49002) and sconce (DC49003). Certified for damp locations and intended for interior use.
