

LOUISA FLUSH MOUNT

DFC23
 Antique Brass
 H: 3 IN
 Dia: 6.5 IN

Simple functionality meets feminine form in this modern blend of white onyx and antique brass-plated steel, the LED Louisa balances function with form. Designed to mount as either a wall sconce or a flush mount, its shade reveals subtle natural veining when illuminated, bringing depth and intrigue to any interior. Certified for damp locations and intended for interior use. Finish will vary.
