

MOERS FLUSH MOUNT

DFC27  
 White Alabaster  
 H: 3.5 IN  
 Dia: 12 IN

The Moers Flush Mount modernizes the traditional flush mount through a refined pair of white alabaster and antique brass. The integrated LED light is housed within an iron frame, creating a clean look that balances classic materials with modern technology. When lit, the illumination highlights delicate details inherent to the natural composition of the stone.
