

MOERS MINI FLUSH MOUNT

DFC28  
 White Alabaster  
 H: 3.5 IN  
 Dia: 7 IN

The Moers Mini Flush Mount scales down a traditional silhouette, pairing white alabaster and English bronze iron with an integrated LED light. This more compact version maintains a clean, modern look while fitting easily into smaller spaces.

When in use, the illumination highlights the delicate details inherent to the natural composition of the stone.
