

ELARA MINI FLUSH MOUNT

DFC30

H: 2.5 IN

Dia: 5.5 IN

Emulating the refined detail of a fine jewelry bezel, the Elara Mini Flush Mount reads as a luminous ornament for the ceiling. Its antique brass frame introduces warm, textural contrast against the smooth, hand-carved white alabaster it gently cradles, creating a balance of structure and softness. Compact in scale yet rich in presence, it lends a tailored, artisanal elegance to hallways, bedrooms, and living spaces.
